"Used as a Book Launch... New York Times Best Seller!"

"Press-Project actually helped me get on NY Times BestSeller List & sold software and ebooks right off my site! A short while back, in the middle of the campaign for my new book, *Outsource Smart* - Stefanie told me about her 'SECRET VIP BACKDOOR'. We quickly implemented her ideas, and put it into our marketing plan. We were **absolutely blown away by the results!**"

"What matters is the credibility we received, and the **hot traffic**, as we wanted to sell books. "Outsourcing Smart" took off, it did fantastic, we came back, we renewed again, and now it's apart of our marketing regime."

"I'm also very happy to report that **the book became a New York Times Best Seller.**" One of the major cogs in that machine was Stefanie and her 'SECRET VIP BACKDOOR'! I highly suggest you work with Stefanie if you want to win."
